### **Change of Email Address for the sending of Newsletters - IMPORTANT**

My email address for IFMA communications is changing – hopefully for the very last time!!

**Please be sure to change the email address in your email address list to prevent Newsletters being spam filtered. Change the email address to [ifma@tonyking.info](mailto:ifma@tonyking.info). Please do it now if you have not already done so.**

If you do not receive a copy of this email from the new email address within 2 days – please check your spam filtering arrangements (particularly if your

organisation has filtering prior to your receiving emails for emails on distribution lists).

My apologies for this change – but it will be for the better in the long term.

### **Online Membership Plan**

The new online membership plan is to be launched very soon - once the technicalities have been resolved and tested. As soon as this is available another newsletter will be sent with more details.

Best Regards – and again - PLEASE change my email address in your contact list / address book if you have not already done so. Thank you.

Tony.
