The Editorial and each paper's abstract can be read on the website by going to **Journal – Contents – Volume 4** and clicking on **Edition 3**. To read the full paper click on the **Full Article** and you can download and save the paper to your computer ('Save a Copy' in Adobe Reader).

Remember you can use the search facility on the Contents Page to find papers on what ever subject you like – or by author.

We are greatly indebted to the Editor, John Gardner, and his team at Massey University, NZ, for all the work they do in reviewing and preparing the papers for each publication. We are always looking for good papers to include in our Editions – authors should read the **How to Contribute** page and send their papers to John as indicated.

Best Regards,  
Tony.
